 **Monday Night Live** is a weekly training session delivered at 10am and 8pm UK (the sessions are the same, you only need to attend one. Topics have included LinkedIn, LinkedIn analytics, SEO, branding etc - the topic are always business related.

All sessions are recorded and added to The Vault

 **Facebook Group** our Facebook group is a thriving, vibrant place where you can ask any questions and share your successes (and disasters!)

 **Zoom Cafes** we have a cafe every weekday and you're invited! It's a place to come, bring a cuppa and hang out with others who are on the same journey as you. It's like having colleagues again!

 **Accountability Call** on Monday at 7:30am UK, we have a quick accountability call (circa 20 minutes) It's your opportunity to state what your focus is for the week and be held accountable. (It's very informal - we don't expect people to turn up looking well-groomed!)

 **Co-working Space** Monday afternoon and Friday morning (UK) we have a co-working space. Log on to Zoom and get focused for two hours. It's surprisingly effective!
